Differentiated Features & Benefits:

- Gold Flashed Contacts**
 Prevents premature oxidation and increases shelf-life.
- Contact Rating**
 Higher contact rating expands range of potential applications.
- Lock-Down Door**
 Allows operator to manually override the system.
- Relay Adapters**
 Reduces cost by eliminating the need for a socket and/or a DIN rail.
- UL Listed**
 Eliminates the need for customers to self-certify their electrical system.

- Bus Bar System**
 Reduces assembly time and decreases wire clutter.
- Complete System Solution**
 Accessories include Socket Modules, Hold-down Clips, Adapters, Coil Buss Jumpers & Socket ID Tags.
