

# Power Relays - Octal

## COMPETITIVE COMPARISON

	 <b>750</b>		OMRON "MK" Range	IDEC "RR" Range	TYCO "KRPA" Range
Gold Flashed Contacts	 <b>YES</b> 	NO	NO	NO	
Contact Rating	<b>16A</b> 	10A	10A	10A	
Lock-Down Door	 <b>YES</b> 	NO	NO	NO	
Flag Indicator	 <b>YES</b> 	YES	NO	NO	
Removable I.D. Tag	 <b>YES</b> 	YES	NO	NO	
CE	 <b>YES</b> 	YES	YES	NO	
UL Listing	 <b>Relay &amp; Socket Combo is UL Listed</b> 	NO	NO	NO	
Bus Bar System	 <b>Coil Buss Jumper System &amp; Accessories Offered for All Sockets</b> 	NO	NO	NO	

### Differentiated Features & Benefits:

- Gold Flashed Contacts**  
*Prevents premature oxidation and increases shelf-life.*
- Contact Rating**  
*Higher contact rating expands range of potential applications.*
- Lock-Down Door**  
*Allows operator to manually override the system.*
- Flag Indicator**  
*Verifies mechanical operation is following control outputs.*
- RoHS Compliant**  
*Meets the requirements of EU's hazardous substance restrictions.*
- CE Certified**  
*Meets the requirements for relays as outlined by IEC standards.*
- UL Listed**  
*Eliminates the need for customers to self-certify their electrical system.*
- Bus Bar System**  
*Reduces assembly time and decreases wire clutter.*

**Complete System Solution**  
 Accessories include Socket Modules, Hold-down Clips, Coil Buss Jumpers & Socket ID Tags.
