Website tools available for Magnecraft™ Relays

Interactive eCatalogs

- Built-in search tool for each individual catalog
- Catalog part numbers link to respective product pages
- Add notes to catalog pages
- Print or export single or multiple pages in PDF format
- Share ecatalog pages via email and Social Media

General Purpose Relay eCatalog

Time Delay Relay Interactive Demo

Interactive Web Tools

- Available for timers, latching relays, pcb relays and sockets
- Learn about timing functions, how to wire latching relays, the differences between pcb and reed relays and how to choose a socket and accessories

2D & 3D Drawing Library

- 2D line drawings and 3D modeling files available
- Download to desktop or send via email
- Import files into an open CAD/Modeling pane
- Available in most major 2D and 3D drafting platforms

199 Power Relay 3D Model

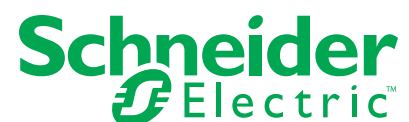

Cross Reference Tool

Cross Reference Database

- Easily replace competitive products by searching our comprehensive database
- Identify competitive products by manufacturer and part number
- Results link directly to Magnecraft part specifications

Make the most of your energysm

Magnecraft Relays Overview

Product Categories & Features

Applications

Key Products

General Purpose Relays

- Can handle current loads 10 mA to 20 A
- Socket, panel & DIN mount options
- Multiples features & contact configurations available
- Optional protection, mounting & identification accessories
- Ideal for MRO replacement
- UL Class I Division 2 models for hazardous locations

- Automation Control Panels
- Packaging Machinery
- Food & Beverage
- Processing Machinery
- Material Handling
- Lighting Controls
- Power Supplies
- HVAC & Refrigeration
- Industrial Appliances
- Motor/Pump Controls
- Oil & Gas

- 781 Series Plug-In Relays
- 782 Series Plug-In Relays
- 783 Series Plug-In Relays
- 784 Series Plug-In Relays
- 750 Series Octal Plug-In Relays
- 788 Series Plug-In Relays
- 755 Series Octal Latching Relays
- 785 Series Latching Relays
- 782H Series Hermetically Sealed Relays
- 750H Series Octal Hermetically Sealed Relays

Power Relays

- Rated up to 50 A
- Socket compatible models available
- Semi-sealed versions available
- Blowout magnet options for high DC voltage switching
- Feature-rich covers, mounting options & accessories to suit a multitude of applications

- Automation Panels
- Processing Equipment
- Packaging Machinery
- Lighting Controls
- Material Handling
- Power Supplies
- HVAC & Refrigeration
- Appliances
- Motor/Pump Controls

- 199 Open Frame Power Relays
- 725 Series Power Relays
- 389F Series Power Relays
- 300 Series Power Relays
- 92 Series Power Relays
- 9A Series Power Relays

Solid State Relays

- 100% solid state design
- Modern appearance & advanced technology
- High cycling rates
- High breaking capacities (up to 125 A)
- A wide range of input voltages
- Industry first design (861 & 861H series)
- Various styles to fit multiple applications

- Electronic Appliances
- Industrial Heater Controls
- Process & Material Handling
- Lighting Controls
- Medical Equipment
- Mining
- Lifts & Escalators
- Oil & Gas
- Automatic Door Controls

- 861 Series Relays
- 861H Series UL Class 1 Div 2 Relays
- SSRDIN Series Relays
- 6000 Series Relays
- 70S2 Series Relays

Time Delay & Sensor Relays

- Multiple timing functions
- Wide voltage range from 12 to 240 V
- Single timing range or from 100 ms to 10 days
- DIN or Panel mounting styles
- Conforms to international standards including UL, CSA, RoHS & CE

- Automation Panels
- Packaging Machinery
- Food & Beverage
- Lighting Control
- Material Handling
- HVAC & Refrigeration
- Appliances

- 820 Time Delay Relays
- 831 Voltage Sensing Relays
- 841 Current Sensing Relays
- TDR782 Time Delay Relays
- TDRPRO Time Delay Relays
- TDRSOX/SRX Time Delay Relays

PCB & Reed Relays

- Space-saving package design
- Single & double pole switching
- Ratings range from 0.25 to 20 A
- Fully sealed for wash-down processes
- Wave solderable

- Automotive
- Lighting Controls
- Electronics & Communication
- Security
- Automated Test Equipment (ATE)
- HVAC & Refrigeration
- Domestic Appliances
- Medical Equipment

- 117SIP Series Reed Relays
- 107DIP Series Reed Relays
- 171DIP Series Reed Relays
- 172DIP Series Reed Relays
- 49 Series PCB Relays
- 276 Series PCB Relays
- 976 Series PCB Relays
